Seamless 10 gauge knitted glove with elastane in 100% high density polyethylene filament, stainless steel filament and 100% textured polyamide yarn in black. Velcro side opening for secured fit and quick donning and doffing. Elastic cuff.

Impact absorbent reinforcement on the back of the hand and fingers. Protective patch between thumb and index.

Black BFR® Technology bi-polymer coating on palm and fingertips for optimum breathability.

Positioned at the base of the wrist for adjusting the glove on the hand or to attach it to a carabiner or belt.
