Assembly works, Automotive industry, Metal manufacturing, Plastics manufacturing, Glass manufacturing

Robust material: seamless 10 gauge knitted liner with 100% para-aramid, this glove offers excellent resistance to heat, cuts and abrasion, making it ideal for demanding environments.

Cotton inner lining: The cotton inner lining ensures superior comfort, even during prolonged use, while promoting better moisture absorption.

Ambidextrous design: Suitable for both left- and right-handed users, offering practical flexibility.

Elasticated wrist: Provides a secure support and prevents debris from entering, while offering freedom of movement.

The GTA10T/V/A glove is perfect for professionals looking for a balance between protection and comfort, suitable for industrial, handling and assembly works.
